### **EXPANDED NATIONAL NETWORK THROUGH MULTIPLAN**

Enjoy In-Network costs outside of our service area — for services including routine care — by using our new expanded national network of doctors and specialists.

\*Members who receive Low Income Subsidy (LIS) are not eligible for this plan. <sup>1</sup>Not all preventive services are medically appropriate every year. Independent Health uses the frequency guidelines adopted by CMS and the U.S. Preventive Services Task Force. This is not a complete list of services. See your Evidence of Coverage for a complete list. <sup>2</sup>The \$10,000 plan limit is per occurrence for the combined unforeseen event outside of the USA. <sup>3</sup>Member pays 20%–40% for genetic testing. <sup>4</sup>Skilled nursing facility benefit is not covered after day 100, per benefit period. <sup>5</sup>Member pays the applicable Part B medication or radiation therapy coinsurance plus applicable outpatient/office visit copay. <sup>6</sup>For the over-the-counter allowance the amount earned each quarter needs to be used within the calendar year; amounts do not roll over year to year.
